ACA L3 or L4 Skills Classes

Topics Covered

We will cover hypothermia, gasp reflex, cold water drowning, clothing (wicking/warming/weather layers), safety equipment, cold water rescues, communications and essentials of group management in winter conditions.

Details and Requirements

This is a special 3 - 6 hour class is designed for the cold-weather paddler. We recommend that students have completed at least Level-2 curriculum, such as an ACA Essentials course. The course is planned for group participation in a suitable flat-water environment such as a lake, cove, pool or similar protected water.

Basic Equipment includes a properly outfitted kayak or canoe with paddle and appropriate safety equipment including PFD, spray skirt, paddle float, pump or bailer and sling. This equipment will be provided for the beginner, although it is best to use your own equipment if available. Please advise us on any equipment you may need prior to the class.

Personal Equipment recommendations include clothing suitable for cold water immersion such as wet-suit & paddle-top or dry-suit & insulation (synthetics, no cotton) with appropriate footwear. The student should come prepared for periods of immersion while practicing skills. Some students prefer to use nose-clips, earplugs, and/or swim goggles during immersion – all are acceptable. Other items of personal responsibility include sunglasses, sunscreen, hat with visor and spare (dry) clothing.

NOTE: We are not responsible for lost or damaged personal items. Plan to leave electronic keys, cell phones, etc. on shore or in a floating, waterproof container. Consider retention aids for prescription glasses, hats and other items dear to you.

Special Requirements

Please bring your desire to have fun and a spirit of adventure. In order to best serve you please advise us of any personal issues when registering so that we can prepare in advance for special needs or equipment. Let us know in confidence of any medical issues prior to the start of class. We can accommodate most concerns.
