Facilities: Town parking lot with access to Housatonic River at Youngs Field. This is a slow-moving flat-water portion of the river, suitable for a leisurely paddle when the river is at normal flow.

Training: CTPC uses this site for tours pre and post season.

From Danbury: Take route 7 north to junction with route 67 in New Milford. Turn right onto 67, crossing the Housatonic River and entering town. Take the second left onto Railroad Avenue. In two blocks enter the parking lot on the left. Launch site is across the tracks on the far side of Young's Field.
