Facilities: Lake Waramaug is a 656 acre fresh water lake. The park occupies a strip of land along the north western shore of the lake. CT-DEEP maintains a cement boat ramp which is a 150' carry from the parking area on the other side of the road. There are spaces for 15 cars in the grass parking lot.

Training: CTPC uses this site for entry level and intermediate classes in kayak, canoe and SUP.

Location: Lake Waramaug road is a short section of road following the northwest side of the lake. The park follows almost the full length of the road.

From New Milford: follow route 202 north 6.8 miles from town center. Bear left onto East Shore Road (Rt-45) and after 0.6 miles turn left onto West Shore Road (Rt-478). Follow this 2.8 miles to Lake Waramaug Road. Turn right onto Lake Waramaug/West Shore road and the park entrance is on the left in 0.8 miles at the north end of the lake.
