Facilities: there is a cement ramp and parking for 25 cars. This site accesses the Saugatuck River estuary which is tidal in this area. It offers access to Long Island Sound, the Norwalk Islands and Norwalk harbor.

Training: CTPC uses this site for entry and intermediate level training for coastal kayak.

From Route 95: the ramp is located underneath the route 95 bridge on the east side of the Saugatuck River. Take exit 18 to Sherwood Island Connector north. Immediately turn left onto Greens Farms Road. Follow this 1.6 miles to Compo Road (route 136). Turn left onto Compo Road then take the next right onto Elaine Road. Follow this 0.3 miles parallel to route 95 until it enters the parking and launch area under the bridge.
