

North Fork Restaurants and Wineries

We have collected a sample of local restaurants in Southold and in nearby Greenport and Peconic. This list is far from exhaustive and we invite you to explore the area via the web before you arrive. Sorry, we cannot make recommendations. These spots will be useful especially for dinners, which are not provided (except for the Saturday night Clam Bake). We have not planned time in our schedule for participants to go offsite for lunch.

NOTE: *there is no food allowed in cabins or rooms at Peconic Dunes Camp*
